

**FISCHER et al.**  
**Application No. 09/363,411**  
**November 16, 2004**

**REMARKS/ARGUMENTS**

Reconsideration and allowance of this application are respectfully requested.

Currently, claims 43-85 are pending in this application. In this Supplemental Amendment, claim 86 has been canceled without prejudice or disclaimer in an attempt to expedite allowance of this application. In the Office Action mailed March 25, 2004, claims 43-81 were allowed. Since claim 82 was rewritten in independent form in the Amendment/Response filed June 25, 2004, Applicant submits that claim 82 and claims 83-85 are allowable as indicated in section 4 of the March 25, 2004 Office Action. All pending claims (claims 43-85) are thus allowable.

Applicant believes that this entire application is in condition for allowance and respectfully requests a notice to this effect. If the Examiner has any questions or believes that an interview would further prosecution of this application, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
